Why yearn for the good ole days
when you're still *living them?*

There's a saying that goes,
"Measure your age, not in years,
but in passions and dreams." It
sounds good on paper; it's even
better in practice.

Our communities invite the
dreamer inside you to live with
passion and purpose.

Letter from the Senior Promotions Council

The Senior Promotions Council is proud to present the 2024-2025 Senior Resource Directory. Our goal is to provide the Senior Adult Citizens of Rome and Floyd County easy access to local senior resources and services.

This guide was created out of the combined efforts of the Senior Resource Directory Committee members who all actively serve senior adults and believe seniors are a valuable asset to our community.

Serving and administering the senior community is our passion, and we hope you find this directory a tool you can use to access all the resources you need.

- Bob Rudert
Senior Promotions Council Chairman

Health Insurance/Medicare/Medicaid/VA Information

The GeorgiaCares Program

866.55.AGING (24464) - Option #4

Provides health insurance information, counseling and assistance for senior adults and their families when they need help understanding Medicare, supplemental health insurance, prescription assistance programs and long-term care insurance.

Medicare

Medicare is the U.S. government's health insurance program for people age 65 or older. Some people under age 65 can qualify for Medicare, too. They include those with disabilities, permanent kidney failure or amyotrophic lateral sclerosis. Medicare helps with the cost of health care. It does not cover all medical expenses or the cost of most long-term care. Medicare has four parts.

Medicare Part A (Hospital Insurance)

helps cover inpatient care in hospitals, as well as skilled nursing facilities, hospice, and home health care. Most people don't pay a monthly premium for Part A.

Medicare Part B (Medical Insurance) helps cover doctor and other health care providers' services, outpatient care, durable medical equipment, home health care and some preventive services. In 2024, most people pay \$175 each month.

Medicare Savings Programs (QMB, SLMB, QI-1) help persons with limited income and resources by paying some or all of Medicare's premiums and may pay Medicare's deductible and coinsurance.

Medicare Part C (optional private Medicare Advantage plans) are private insurance plans that provide Part A and Part B benefits and sometimes offer Part D prescriptions coverage to people with Medicare who enroll in these plans. These plans vary in cost.

Health & Supportive Services

Medicare Part D (Prescription Coverage)

helps pay for some medicines for people with Medicare. Part D is provided by private health insurance plans that contract with Medicare.

To get Medicare drug coverage, you must join a plan run by an insurance company. Each plan can vary in cost and drugs covered. Persons with limited income and resources may qualify for “Extra Help” in paying for their Part D premiums and their prescriptions.

How to sign up for Part A & Part B:

- Apply online at Social Security: ssa.gov
- Visit the Rome Social Security Office, 480 Riverside Parkway NE, Rome 866.964.1006
- Call Social Security at 1-800.772.1213.
- If you worked for a railroad, call the RRB at 1-877.772.5772.

How to enroll in Part C:

Medicare C is optional and not all Medicare Advantage Plans work the same way, so before you join, take the time to find and compare Medicare health plans in your area. You can explore plans by using Medicare’s Plan Finder on the Medicare website, www.medicare.gov. Medicare plans aren’t allowed to call you to enroll you in a plan, unless you specifically ask to be called. Once you understand the plan’s rules and costs, here’s how to join:

- Visit the plan’s website to see if you can join online.
- Contact the plan to get an enrollment form, fill it out, and return it to the plan. All plans must offer this option.
- Call the plan you want to join.
- Call 1-800-MEDICARE (1-800.633.4227).
- For assistance and information, contact GeorgiaCares at 866.552.4464, (Option 4).

How to enroll in Part D Prescription Coverage:

To get Medicare drug coverage, you must join a plan run by an insurance company approved by Medicare. You can find information about plans that are available in your area by visiting www.medicare.gov, or you may call 1-800-MEDICARE (1-800.633.4227). You may also contact GeorgiaCares at 866.552.4464, (Option 4).

How to get Extra Help with Part D Prescriptions Costs:

You may qualify for extra help from Medicare to pay the costs of Medicare prescription drug coverage if you meet certain income and resource limits. For more information, contact GeorgiaCares at 866.552.4464, (Option 4).

How to enroll in Medicare Savings Programs (QMB, SLMB, QI-1):

To find out if you qualify for a program that will help you with the cost of your Medicare B premiums, copays, coinsurance and deductible, you may call GeorgiaCares at 866.552.4464, (Option 4).

Medicare Supplement (Medigap) Insurance

A Medicare supplement insurance, sold by private companies, can help pay some of the health care costs that Original Medicare doesn’t cover, like copayments, coinsurance and deductible. If you have original Medicare and you buy a Medigap policy, Medicare will pay its share of the Medicare approved amount for covered health care costs. Then your Medigap policy pays its share.

To purchase a Medigap policy, you must have Medicare Part A and Part B. You pay the private insurance company a monthly premium for

Health & Supportive Services

your Medigap policy, in addition to the Part B premium that you pay to Medicare. Medigap policies do not include prescription drug coverage. If you want prescription drug coverage, you can join a Part D Prescription drug plan.

You can find information about Medigap plans that are available in your area at www.medicare.gov, or you may call 1-800-MEDICARE (1-800.633.4227). Or you may call GeorgiaCares at 866.552.4464, (Option 4), to be connected to a local GeorgiaCares counselor.

Georgia Cares Program

GeorgiaCares provides free, unbiased and factual information and assistance to persons with Medicare and their caregivers. Local assistance is available for issues concerning Medicare, Medicare financial assistance programs, “Extra Help” with Part D Prescription coverage, health error, fraud and abuse and long term care insurance.

Call 866.552.4464, (Option 4), to be connected to your local GeorgiaCares Medicare counselor. mygeorgiacares.org

Medicaid Waiver Programs

Waiver programs help people who are elderly or have disabilities and need help to live in their home or community instead of an institution such as a nursing home. Each program offers several “core” services:

- Service coordination (help with managing care needs and services)

- Personal support (assistance with daily living activities, i.e. bathing, dressing, meals and housekeeping)
- Home health services (nursing, home health aide, and occupational, physical and speech therapy)
- Emergency response systems (“Help, I’ve fallen and I can’t get up” buttons)
- Respite care (caregiver relief)

Additional services are available under each program. For more information about Medicaid Waivers, you may visit the Department of Community Affairs website at: dch.georgia.gov/waivers.

The following is a list of waiver programs in Georgia.

Community Care Services Program (CCSP)

Offers services to people with physical disabilities/dementia who meet CCSP guidelines. In 2024, persons must earn less than \$2,829 monthly. Services include care management, home delivered meals, personal care, homemakers, emergency response systems, care in day centers or personal care homes. Persons sometimes pay part of the cost of services, based on income. To apply for services, call the NW GA Area Agency on Aging, 800.759.2963.

Pruitt Healthcare Home First of Blue Ridge

Combines primary medical care with preventive and supportive services for older and disabled Medicaid recipients. You must have Medicaid and supplemental security income; or have Public Law Medicaid. Services include home-delivered

Health & Supportive Services

meals, respite for caregivers, emergency response systems, transportation, personal care/ chore services, home health services, adult day center services, assisted-living centers.

Toll Free: 1-800.632.2101

Or 706.632.9263

Independent Care Waiver Program (ICWP)

Offers services to a limited number of adult Medicaid recipients with physical disabilities or traumatic brain injuries. This program helps them to live in their own homes or in the community instead of a hospital or nursing home. To be eligible, you must have severe physical disabilities and be between the ages of 21 and 64 when you apply, and you must be able to manage your own services. Members also must meet other physical and financial guidelines. Based on their needs, members are offered service coordination, personal support, home health, emergency response, respite, specialized medical equipment and supplies, counseling and home modification.

To apply for services, call 800.982.0411, ext. 3619.

New Options Waiver Program (NOW) and Comprehensive Supports Waiver Program (COMP)

This program provides services to people who have developmental or intellectual disabilities. The services help them to live independently in the community. A diagnosis of developmental disability may include mental retardation or other closely-related conditions such as cerebral palsy, epilepsy, autism or neurological problems.

To apply for these services, call the DBHDD One Intake and Evaluation Unit, 678.947.2818.

Georgia Department of Veterans Services

Informs veterans and their families about veterans' benefits; assists and advises veterans and their families to help them get the federal and state benefits to which they are entitled. They help veterans and their dependents with filing claims and with getting together medical records and other needed paperwork to file claims with VA and other federal and state agencies. The department operates field offices throughout Georgia and provides representatives in VA medical facilities. For more information you may call one of the following:

Medicaid Waiver Programs

The following are Medicaid waiver programs to provide support services for older adults or younger, disabled people. These services help them to live in their home or community instead of an institution such as a nursing home. Community Care Services Program (CCSP) Provides community based services as an alternative to nursing home care. These services are available to people with physical impairments or dementia who meet physical and financial eligibility requirements. Services include adult

Health & Supportive Services

day care, personal care, emergency response systems, home delivered meals, skilled nursing and home health services and care in personal care homes. Services are arranged and monitored by a care coordinator. For more information, or to apply for services, contact: Area Agency on Aging of Northwest GA 800.759.2963

Independent Care Waiver Program

800.982.0411 x 3632

The Independent Care Waiver program provides in-home support to individuals between the ages of 21 to 64 who are severely physically disabled and can direct their own care, or those who have traumatic brain injuries. Participants must meet physical and financial criteria.

Nursing Homes

Nursing homes provide care to persons who are chronically ill or recuperating from illness or surgery and need nursing care and other services, but not hospitalization. A nursing home may not be your only choice.

Before you make decisions about long term care, get as much information as you can about where you might live and what help you may need. Discharge planners and medical social workers can explain your long-term care options and help arrange your care. Long-term care can be provided at home, in the community, or in various types of facilities.

For additional help with long-term care choices and information about in-home and community-based services call your local Area Agency on Aging at 706.802.5506.

If you have limited income and resources, Medicare and Medicaid programs may help cover some of your costs of long-term care choices.

Nursing homes are licensed by the Georgia DCH Healthcare Facility Regulation (HFR). HFR conducts annual certification surveys that must

be posted in a readily accessible and visible place. For report questions call 800.878.6442.

Voices, Choices, and Solutions

Voices, Choices & Solutions
2020-2021-2022

VCS is an invaluable resource for Georgia families seeking senior living care options for their loved ones. As a local, family owned and operated senior living referral and advisory service, we are uniquely positioned to provide assistance for families during these challenging times.

The VCS team understands the importance of finding the right care for seniors, and they work tirelessly to help families navigate the often complex and overwhelming process of choosing the best care options.
