Getting Started for New Coaches

- Immediately contact each players parent/guardian on your roster, introduce yourself, and set up a "first meeting" or practice. Contact RFPR if you are unable to reach players' parents.
- At the first meeting, ask for parent volunteers as assistant coaches and/or team parents.
- Choose a practice location that is convenient for the majority of the team. You will work with RFPR staff if you would like to use an RFPR field. If you have use of a private gym such as a school or church, you will only need to meet the restrictions outlined in this manual.
- Select a team name and jersey number and report it to RFPR for scheduling purposes prior to deadline.
- Assign player numbers and order uniforms from a vendor of your choosing. Each parent is responsible for their uniform costs. When ordering, adhere to the restrictions listed in this manual. There is a \$40.00 maximum.

- RFPR offers financial assistance to those who met the qualifications. For more information please call 706-291-0766.
- In order to avoid financial hardships on coaches, coaches are instructed to assign a date at which time uniform monies are due. If parents fail to meet that payment deadline, parent should be instructed to set up payment directly with the vendor selected by the team.
- Opt in to RFPR text message alerts for weather situations and encourage all of your parents to do the same. Registration for Rain Out text alerts can be found at www.RFPRA.com.
- Game and practice balls are the responsibility of the team.
- Set aside a day and time for team pictures. RFPR is not responsible for scheduling team pictures. RFPR facilities are available for usage for team pictures. Before or after a game.

Conduct

- Any player, coach, or spectator acting in an unsportsmanlike manner or in any way that could prove detrimental to the league will be subject to disciplinary action by Rome-Floyd Parks and Recreation.
- There will be no hollering at or harassing of the players on the opposing teams by parents, players, or coaches. If a volunteer coach cannot control this situation, the game will be awarded to the opposing team. The person(s) violating this rule shall be suspended for the following game. This is a decision made by the Officials and/or the Recreation Staff present.
- Referees and/or Facility Supervisor will eject any coach, player, or fan from the game or vicinity of the game for misconduct. Failure to leave results in forfeiture of the game. Any coach that is ejected from a game will be suspended for the next scheduled game. Suspended coaches are not allowed in the playing facility. If a coach is ejected from two (2) games, he/she will be suspended for the remainder of the season.
- It is the parent's responsibility to make sure their son/daughter attends all practices and games. **Any child who misses 2 (or 50% of scheduled practices) consecutive practices or games can be benched by the coach for one game with the approval of the Sports Manager or Assistant Sports Manager.** It is the coach's responsibility to notify RFPR of any child's missed games or practices.

District 5 includes Dade, Catoosa, Walker, Whitfield, Murray, Fannin, Gilmer, Pickens, Gordon, Chattooga, Bartow, Cherokee, Polk, Haralson, Paulding, Cobb, Douglas and Floyd counties. GRPA standards for classification list Class A as agencies in which

15,000 or more youth under the age of 17 reside. Class A is the largest classification in the state of Georgia.

District host agencies are determined by participating agencies of each district in each sport classification, age division and gender. The GRPA State Athletic Committee determines each year who will host the state tournament by sport classification, age division and gender. The champion from each district, in each participating age division advances to the state tournament. Depending on the state tournament draw, additional teams from the district tournaments may be invited to participate in the state tournament. Additional invitations would be at the discretion of the State Committee.

The goal of the tournament team player/coach selection process is to form the best overall team.

GRPA Tournament teams representing RFPR will be determined as follows:

- Tournament teams will be established for players in 8U, 10U, 12U, 14U leagues.
- A meeting will be scheduled for each age division head coaches to establish tournament team.
- Players may only be considered for tournament selection in the age division that they played in RFPR regular season.
- RFPR league coaches are encouraged to discuss with parents about the required commitment for the tournament team from mid-February to early March. If any families are unable to make said commitment, this would eliminate them from being placed on a tournament team.
- Each age division's Head Coaches will determine the maximum number of players allowed to be selected/invited to tryouts from their team. If a player is neither nominated for consideration or not able to attend the tryout (if that option is chosen), they will not be allowed to be selected for the tournament team.
- If the Head Coaches elect to host a tryout to determine their respective league's Tournament team; all head coaches (or their Assistant Coach) will be required to be present. ** Note: Only one representative for each team may be present. **
- At the conclusion of the tryout, the respective RFPR league head coaches will be given the opportunity to vote for the eight (8) best players present that day.
 - The consensus top eight (8) players by league coaches voting will be placed on the tournament team.
- After the eight (8) players have been identified for each tournament team, a league head coach will be appointed as the Tournament Team's Head Coach. Tournament team Head Coach will be appointed by RFPR sports staff. Only league head coaches will be considered.
- The tournament team head coach will be allowed to appoint two (2) additional players from their division to finalize the tournament team roster of ten (10) players. The additional two players must have been nominated by their head coach and/or present at the designated tryout date.
- All players selected must provide a birth certificate to RFPR by established deadline.
- Each tournament team player will be required to purchase a uniform. Maximum cost of uniform cannot exceed \$50 which includes jersey and shorts.
- Each tournament team player's family will be expected to incur any travel expenses associated with being a member of the tournament team.
- Dates for GRPA District and State tournament play are:
